

Affecting lives in a Positive, Caring, and Compassionate Manner

Thanks to the generous donations and support we have received from you, the ***Graeme Preston Foundation for Life*** has been able to give back to the community as we undertake our mission of affecting lives in a positive, caring, and compassionate manner. We have accomplished this by providing financial support as well as volunteering time and resources to help families in need, and by supporting other like minded charitable organizations. In just under two years, your support has allowed us to ***grant over \$130,000*** to families and organizations in our communities! In addition to the financial assistance, we have also made an equally important impact through ***G'sLOV – Graeme's League of Volunteers***. Here are a few examples of how we are carrying out our mission...
