

## ***Affecting lives in a positive, caring, and compassionate manner....***

Thanks to the generous donations and support we have received from you, the ***Graeme Preston Foundation for Life*** has been able to give back to the community as we undertake our mission of affecting lives in a positive, caring, and compassionate manner. We have accomplished this through both financial support and volunteering time and resources to families in need, as well as through support to other like-minded charitable organizations. Your support has allowed us to ***grant over \$475,000*** to families and organizations in our communities!
